PRODUCT DESCRIPTION

Designer: Marc Sadler

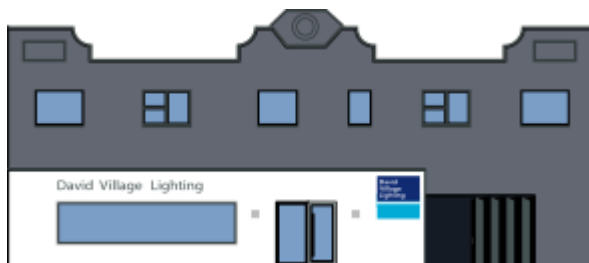

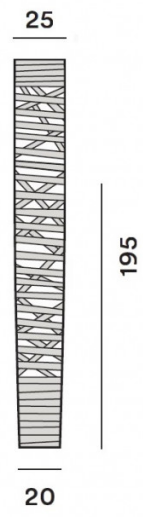

Tress LED Large Floor Lamp by Foscarini

With an integrated LED light source, the Tress LED floor lamp was designed by Marc Sadler and is part of the [Foscarini Tress collection](#). The range is characterised by the woven, criss-cross pattern that is made from a new process that combines resin tape and fibre glass.

Available in three colours, white, black and greige (a combination of grey and beige), the Tress LED floor light comes in a large size, perfect for providing an illuminating glow throughout the room. The floor lamp also comes with a dimmer switch so you can create the atmosphere you need, whether you need a bright light for reading or a soft light for relaxing. Use in lounges, bedrooms, reception rooms and more in both work spaces and homes.
