LIGHTYEARS®

Light Years Orient Black P1 Suspension: the Orient pendant collection was created by Jo Hammerborg in 1963 for one of the most important Danish lighting company of the time, Fog + Morup.

Exactly 50 years on, Light Years has chosen to re-launch the Orient in close co-operation with the Hammerborg family.

The organic mode of expression beautifully connects with the matt black and the rosewood top of the Orient P1 Suspension. The lamp has 24 narrow, vertical slots at the top of the copper shade allowing the light to filter through. The fitting comes with tightly woven black texture cord.

The fitting elegantly conceals the low energy light source and ensures a soft, pleasant light without any glare.

Lamp included.

Please note the main image shows 2 individual pendants each separately suspended.
