PRODUCT DESCRIPTION

Designer: Alex Fernández Camps & Gonzalo Milá

Bover Garota P/02 Outdoor Floor Lamp

Designed by Alex Fernández Camps & Gonzalo Milá, the Bover Garota P/02 Floor Lamp is a taller version of the [Bover Garota P/01 Floor Lamp](#) and is suitable for indoor and outdoor use thanks to its weather proof materials and IP66 rating. This tall floor lamp with a tripod stand is crafted from stainless steel, painted and treated with cataphoresis. The hand crafted oval shade is composed of hand wrapped polyethylene synthetic fibre, which protects the frosted, polyethylene globe diffuser - which houses the light source.

The opal diffuser results in an intimate and warm light emission, creating a peaceful and unique environment. The Bover Garota P/02 Floor Lamp serves as an outdoor luminaire for warm, luminous moments on the terrace or on larger balconies, but it can also serve as a light fixture inside.
