Original 1227 Mini Table Lamp by Anglepoise

Released in 2015, the Original 1227 Mini table lamp is part of the [Anglepoise Original 1227 Mini collection](#), a range which scales down the classic [Anglepoise 1935 design](#) to two-thirds of the size, giving it a more contemporary and compact look.

A versatile lamp, the 1227 Mini table light breathes new life into Anglepoise design, with a departure from the signature 3-spring mechanism and the adoption of a fixed arm, bent already in shape to allow for a directional yet atmospheric light. This table lamp also boasts a new pyramid-shaped base with an integrated switch which gives the lamp a more modern and chic look whilst still staying true to the Anglepoise aesthetic. Available in 3 subtle colours, the Mini table lamp suits both home and work spaces to add a touch of class to any room.
