PRODUCT DESCRIPTION

Secto Petite 4630 Wall Light

The Secto [Petite range](#) of lights was designed due to the demand for a smaller lighting solution from the brand and includes pendants, floor lamps and table lights. The Petite 4630 wall lamp has the same small slatted birch diffuser which adorns the rest of the range which is available in natural birch, with a white or black lamination or a walnut veneer.

Providing a warm and comfortable glow, the Secto Petite 4630 wall lamp can hardwired or left with exposed wiring for a truly Scandinavian feel. The Petite 4630 wall light suits cosy areas of the home such as a bedroom or living area, and adds a chic and effortless aesthetic.
