PRODUCT DESCRIPTION

Designer: Neil Poulton

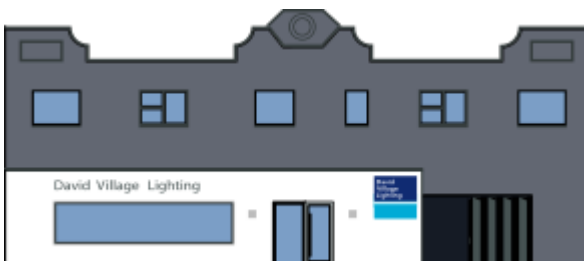

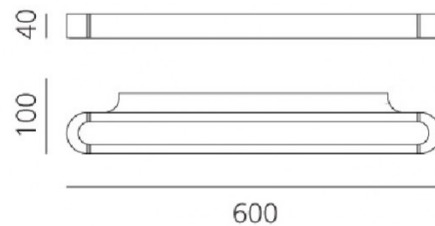

Talo 60 LED Wall by Artemide

The Talo Collection won numerous awards, like the iF Design Award, Compasso d'Oro/ADI-Selezione and Reddot Design Award. Designed by Neil Poulton, who is known for seeking simplicity in his products. Talo 60 fall somewhere in the middle, size wise, in the wall lights of the collection.

Talo 60 suits any interior, complimenting it and adding a contemporary touch. Whether commercial or residential, Talo 60 is a discreet uplight, housing the latest LED technology which constitutes it both energy efficient and eco-friendly. You can select whether its dimmable (Push dimming systems) or non dimmable and a choice of three finish options. The collection also includes wall and suspension lights of different sizes/lengths, the smallest Talo wall is also available with a retrofit light source.
