PRODUCT DESCRIPTION

Ginger Floor Lamp by Prandina

The Ginger floor lamp is part of the [Prandina Ginger collection](#), a 2010 range designed by the Prandina team. The floor lamp is characterised by a lovely white shade that has a classic silhouette and straight, clean lines. The design makes this floor light very versatile and can be used in a wide variety of settings in both commercial spaces and homes.

The Ginger floor light has a lower diffuser plate at the bottom of the shade which spreads the light evenly and creates a nice warm glow. The opal white lampshade also does this, making this floor light perfect for creating ambience. The floor light will look perfect in bedrooms, lounges and dining areas, but can be used in many different types of rooms. Available in 2 sizes, the smaller F30 and the bigger F50, you can find the right size to put in your room.
