Sera Floor Lamp by Prandina

A part of the [Prandina Sera collection](#), the Sera floor lamp is a classic design from Prandina, being one of their bestsellers for 20 years. Still modern and contemporary, the iconic design is timeless, proving to be a current and stylish choice. The lampshade diffuses the light both upwards and downwards, creating an ambient light that is welcoming and inviting.

The Sera floor light comes with either a chrome or brushed nickel structure and you can also choose between a mirror or opal white shade which are both elegant finishes. This floor lamp is perfect as an atmospheric or reading light and particularly thrives in lounges and bedrooms. The floor light can be used in home and professional settings and is also dimmable so you can have complete control of your lighting scheme.
