## PRODUCT DESCRIPTION

**Designer:** Mengotti/Prandina

### Mood Wall Light by Prandina

The Mood wall light by Prandina was designed in 2002, a still remains a stylish and sophisticated choice for your room. Made from blown glass, the shade diffuses the light beautifully to give a lovely warming glow that will create a nice atmosphere throughout the room. The glass shade also makes the Mood wall lamp a very elegant and classic lamp.

The smooth lines and simple yet effective design means this wall light can slip into any design scheme or décor. You can buy several to line lounges, reception areas, dining rooms or corridors, or buy one to light a smaller, more compact space. This wall lamp also comes in 2 sizes, with the Small W3 size being a slimmer, more streamlined version of the W3 size. You can stick with one size or mix and match between the two to create more variety in your domestic or commercial space.
