Lampe Gras No. 304 L40 Wall and Ceiling Light by DCW éditions

The Lampe Gras 304 L40 light is the perfect solution for big projects and hospitality environments thanks to its size and adjustability. The light can be installed both on the wall and the ceiling and has a rotatable lampshade and arms. The arm can rotate around 360° due to the clever ball joint at the wall base and the arm can also be directed so you can direct the light where you need.

The Lampe Gras No. 304 L40 ceiling/wall lamp comes in a black metal structure with the choice between 11 chic shade colours to find the right look for your space. A stunning addition to any interior, the wall/ceiling lamp can be used for ambience or for reading and tasks. You can also match with other lights from the [DCW éditions Lampe Gras collection](#), a range developed by Bernard-Albin Gras in 1921 that has stood the test of time due to its versatility and stylish look.
