Arturo Alvarez Tempo Andante Suspension

SOURCE: <https://www.davidvillagelighting.co.uk/product/Arturo-Alvarez-Tempo-Andante-Suspension/16779>

PRODUCT DESCRIPTION

Arturo Alvarez Tempo Andante

The Tempo light collection is made of painted stainless steel mesh. The material is pleated and forming two overlaying layers, covers the light source. A dynamic light with a lively shape full of movement.

The finely folded pleats give volume to the pendant and the light source illuminates the entire pendant and emits a soft downlight. The escaping light adds a playful effect of light and shadows in the room.
