## Wastberg Sempé W103C LED Table

SOURCE: <https://www.davidvillagelighting.co.uk/product/wastberg-semp-w103c-led-table/16820>

### PRODUCT DESCRIPTION

Wastberg Sempé W103C shade is manufactured from aluminium and mounted on a steel arm. The base is made of cast iron whilst the clamp is made of steel.

The shade can be adjusted 166 degrees (+/- 83 degrees) around its horizontal axis.

#### Glare-protecting Reflector Construction

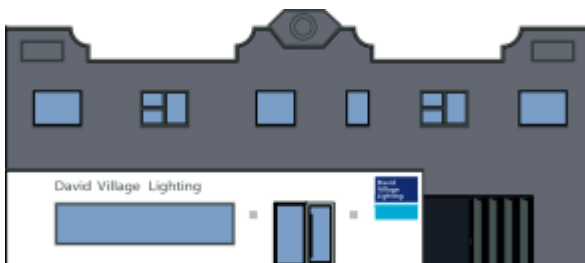

Using LEDs to project the light directly downwards, the shade is not used as a reflector. This gives the option of painting the inside of the shade in the same colour as the outside, without destroying the quality of the light. The result is a beautiful and at the same time, playful effect as a small amount of light lights up the coloured inside of the shade.

### PRODUCT SPECIFICATION

**Light Source:** 7W, 661 lumens, 3000K

**Dimming:** Integrated on/off switch on the product

**Dimensions:** Height 50cm  
Diameter 28cm  
Clamp gap 5 cm  
Cable length: 360 cm
