Wastberg W151 LED s2

LA4049

SOURCE: <https://www.davidvillagelighting.co.uk/product/wastberg-w151-led-s2/16826>

PRODUCT DESCRIPTION

Based on the most basic of geometric shapes – the cone – the lamp comes in three variations: the tall and narrow, the archetypical and the low and wide. All three are super-sized, pushing the limits of manufactured, spun aluminium, yet fitting through a normal doorframe. The feature of this lamp is its size. Paired with careful control of the fine details and the paper-like matt finishes, the lamp is almost illusory; dream-like – when experienced in reality.

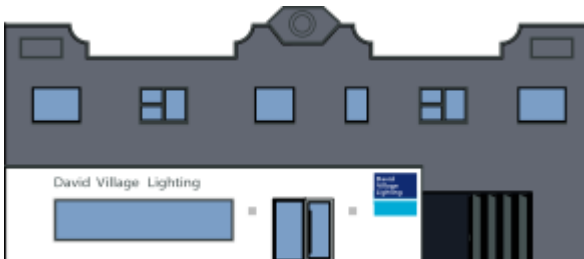

5M Steel Wired In-forced Cable / Ceiling Rose Included

Glare-protection shade and diffuser

Using LEDs to project the light directly downwards, the shade is not used as a reflector. This gives the option of painting the inside of the shade in the same colour as the outside, without destroying the quality of the light. The result is a beautiful and at the same time, playful effect as a small amount of light lights up the coloured inside of the shade.

PRODUCT SPECIFICATION

Light Source:	25.3W, 2700K or 3000K, 3680 or 3880 lumens
Dimming:	Dimmable only via DALI dimming systems. Additional wiring may be required. Please consult your electrician.
