Muuto Five Pouf

Designed by Anderssen & Voll, the Muuto Five Pouf is a comfortable and contemporary furniture piece, it is upholstered with Remix 2 fabric in various colours. The textile was created by designer Giulio Ridolfo who used melange yarns in order to take advantage of its property for colour depth.

The Five Pouf boasts a pentagon shape and its linear seam lines contradict the curved edges, seemingly wrapped around the shape and enhancing the silhouette. The quilting adds a softness to the design and the result is a distinctive product that can be used as extra seating, a footstool or as a decorative item in any room.

The Five Pouf collection is also available in a number of other colours and textile options, for information and pricing please [contact us](#).
