Fontana Arte Pangen Suspension

The Fontana Arte Pangen Suspension Pendant, designed with a fluid, minimal dome shape, exudes modern elegance and versatility. Its glossy lacquer finish is available in a range of contemporary colours, making it a sophisticated focal point in any interior. The pendant's sleek design is enhanced by a chromed ceiling rose and a transparent power cable, creating a clean, understated aesthetic. An opaline polycarbonate diffuser softens the light, producing a warm and even glow ideal for ambient or task lighting.

Perfect for use over dining tables, kitchen islands, or in entryways, the Pangen Suspension is suited to both residential and commercial spaces. Its dimmable functionality ensures the lighting can be tailored to create the desired atmosphere, whether for intimate gatherings or practical illumination. Combining style, function, and adaptability, the Pangen Suspension is a timeless addition to contemporary interiors.
