Fontana Arte Falena Wall Light

The Fontana Arte Falena Wall Lamp, designed by Alvaro Siza, reflects the same elegance and adaptability as the rest of the Falena collection. With a sleek chromed metal frame, this wall lamp is fitted with adjustable diffuser wings in anodised aluminium, allowing precise light direction. The adjustable structure makes it an excellent choice for creating tailored lighting effects, ideal for reading nooks or ambient wall lighting.

Equipped with a dual-intensity switch, the Falena wall lamp offers flexible brightness levels without dimming. It includes a sandblasted glass screen to protect the bulb and enhance light diffusion. Perfect for both residential and commercial settings, the Falena wall lamp adds a modern touch to interiors while providing practical illumination.
