Wastberg Dalston W162 LED S2 Suspension

SOURCE: <https://www.davidvillagelighting.co.uk/product/wastberg-dalston-w162-led-s2-suspension/17400>

PRODUCT DESCRIPTION

Wastberg Dalston W162 S2 Suspension.

W162 dalston was influenced by the lamps commonly found in workshops and warehouses. These lamps display honesty and practicality in their light output, materiality and durability. Dalston refines and updates this practicality with the latest LED light source, directing light downwards as well as partly illuminating its outside shade. It's materials and construction are equally simple and durable.

A die-cast aluminium LED unit acts both as an efficient heat sink and as a method to carry different sizes of shade in both spun metal and glass.

Please Note: We will require confirmation of your desired power unit colour upon ordering. Available in either Black, Silver or gold.

PRODUCT SPECIFICATION

Light Source: 9W, 1100Lumens, 2700k
