Wastberg Pal w154 LED Table

LA4611

SOURCE: <https://www.davidvillagelighting.co.uk/product/wastberg-pal-w154-led-table/17565>

PRODUCT DESCRIPTION

Wastberg Pal w154 Table designed by Dirk Winke.

w154 pal is the essence of modern task lighting: an engineered, but graceful construction focused on bringing high quality LED light into the working environment, while keeping a certain formal purity. The all-metal structure with its slim profiles and integrated mechanics allows for a smooth and easy movement, while the shade incorporates an 8W high-end warm LED with intelligent heat dissipation and light diffusion. Aesthetically, the design is reduced to a strictly geometrical language, all the way into the nest details of the cast and extruded aluminium elements, complementing the sustainable longevity of the light source.

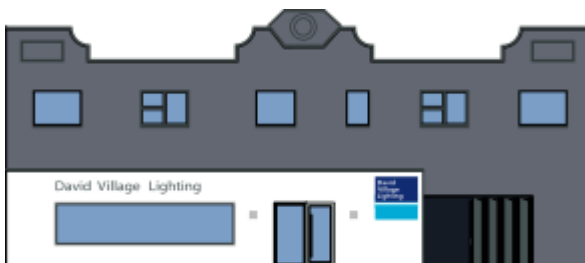

Also available with a fitted clamp.

PRODUCT SPECIFICATION

Light Source: 8W, 900 lumens, 3000K

Dimming: Two step dimmer switch

Dimensions: 46.2 cm height
18 cm base diameter
8.3 cm shade diameter
215 cm cord length
