PRODUCT DESCRIPTION

Homefield 240 by Astro

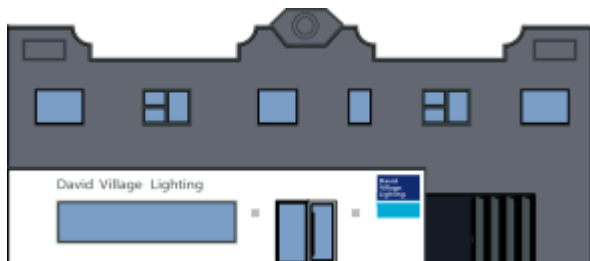

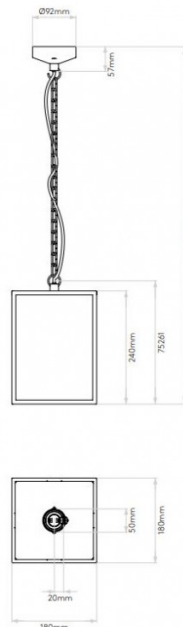

Homefield pendant is suitable for both interior and exterior use (IP23), and available in a textured black or natural brass finish. Made with a mild steel frame and clear glass shade, the Homefield light reminisces something from the past.

The light is dimmable, via mains phase dimming, when used with a dimmable light source. Homefield is also suitable to mount on to flammable material.

Please note, the IP rating for this product is IP23. Consult with your installer prior to purchase to ensure the installer is happy with the IP rating.
