PRODUCT DESCRIPTION

Designer: Øivind Slaatto

Swirl 2 Pendant by Le Klint

Designed by Øivind Slaatto, the Swirl 2 pendant light is part of the [Le Klint Swirl collection](#), a collaborative series that is influenced by the natural world and mathematics. Fascinated by both fractals and a snail's shell, Slaatto has incorporated both to produce the Swirl series. Defined by its spiralled design, the Swirl 2 pendant swivels down in a pine-cone shape, a more elongated version compared to the [Swirl 1](#) and the [Swirl 3](#) pendants.

This pendant is striking and elegant, made to the best quality like all of Le Klint's lights are, as the brand puts hand-made craftsmanship at the forefront of their company ethos. Available in white and a copper topped colour, the Swirl 2 looks magnificent in any room or space whether in a cosy domestic lounge or a large commercial area.
