Swirl Table Lamp by Le Klint

The latest addition to the [Le Klint Swirl collection](#), designer Øivind Slaatto took inspiration for the range from the shell of a snail and mathematical fractals. Now producing the Swirl table lamp, the lampshade is made from swirling plastic, forming a lovely spherical shape that is both sophisticated and eye-catching.

Diffusing light and giving a warm glow, this table lamp is perfect for creating ambience, suitable for lounge and reception areas to evoke a welcoming atmosphere. Pair with the [Swirl floor lamp](#) to create dynamic lighting choices in your space, whether in a home or professional environment.
