PRODUCT DESCRIPTION

Designer: Poul Christiansen

Comet 181 Pendant by Le Klint

Designed in 2003 by Poul Christiansen the 181 pendant is distinguished by its straight pleats that form into a rounded end, garnering the nickname the “comet.” A simple and elegant design with curved and straight lines, the 181 pendant light is a beautiful light that will add a touch of class to any room.

Emitting a warm, diffused light, this pendant light works well in living spaces hung low to create a nice ambience. Available in 2 sizes, the comet pendant is best clustered together to create a light spectacle that is chic and iconic. Suitable for both domestic and commercial interiors.
