Le Klint 101 Lantern Pendant

The Lantern, Model 101, was designed by Kaare Klint in 1944 and is considered the most detailed of the Le Klint pendant lights. The pendant is available in three sizes and you can select the lampshade material, paper or plastic foil. Model 101 pendant is an excellent example of craftsmanship and technology. An enclosed lampshade makes it the perfect choice for high ceiling spaces, keeping the light source hidden and avoiding any glare.
