311 Table Lamp by Le Klint

The 311 table lamp was first released in 1949 and designed by Esben Klint. With the signature Le Klint pleated lampshade, handmade from plastic foil, the 311 table light is chic and timeless. The base is made from opal white handmade glass, having sloping and curved lines which gives the lamp an edge of modernity that was particularly seen in 1950s design.

Giving a nice diffused light, this table lamp is suited in a variety of settings and will provide a warm light that works particularly well in bedrooms and reception rooms.
