PRODUCT DESCRIPTION

Designer: Eric Sole

Cabildo LED Floor by Artemide

Designed by Eric Sole, the Cabildo collection includes a floor lamp, wall light and suspension light. Cabildo has a sculptural form, with a diffuser that creates a stunning effect when the light flows through it. A simple and minimalist design, the Cabildo floor lamp has a steel base and stem. When switched on, the light shapes the lamp and brings out its form, like a ring of light. The lamp was awarded the Good Design Award The Chicago Athenaeum in 2008. Cabildo is painted white and you can select a colour temperature of either 2700K or 3000K.
