## PRODUCT DESCRIPTION

**Designer:** Dan Yeffet**Brokis Muffins Table Lamp**

The Brokis Muffins Table Lamp is one of the most extensive and iconic products in the Brokis range. The table lamp features a billowing glass shade and a handcrafted wooden base. Designed by Dan Yeffet and Lucie Koldova, the Muffins Lamp can easily adapt to both contemporary and classic interiors and breathes new life into your space.

Muffins is available in four different sizes, with the largest able to be used as either a table or floor lamp, whilst the glass is available in eight finishes. The lighting effect emitted from a Muffin's light depends on your chosen glass finish, which will impact how diffused the illumination is; all slightly different adaptations of a calming glow.

**The Brokis Muffins Table Lamp is available in the following finishes:**

**Glass** – Transparent, Smoke Grey, Smoke Brown, Opaline, Triplex Opal, Amber, Cognac and Violet.

**Base** - European Oak – untreated, European Oak - clear coat, European Oak – natural waxed, European Oak - stained black, European Oak - stained white, American Walnut - natural waxed.

**Please contact us for more information and pricing.**
