PRODUCT DESCRIPTION

Designer: Boris Klimek

Brokis Night Birds Suspension

The Night Birds Suspension by Brokis was inspired by the freedom of birds and designed by Boris Klimek. This poetic lighting solution boasts a creative manufacturing process, consisting of melting and moulding glass before bending it into the desired shape. This means that each Night Birds light is wholly unique each time.

Brokis Night Shadows is available in three shapes (or poses) each resembling a different wing angle, and although they can be displayed individually they truly reach their potential when suspended in groups - similar to a flock of birds. The suspension lights are available in either white or dark glass and their minimalist silhouette is complete with an LED light source which is set in the aluminium body and casts a functional downlight onto the area below. Night Birds provide an exceptional ambience when displayed above a dining table, in a stairwell or in an entryway or lobby.

PRODUCT SPECIFICATION

Light Source: 1 x Max 5W GU10 (included)

IP Code: 20

Dimming: Dimmable via Triac dimming.

Dimensions: **PC962:**

Width: 78cm
Height: 13cm

PC963:

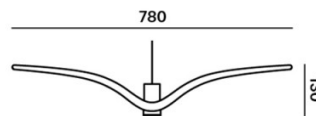

Width: 73cm
Height: 13.5cm

PC964:

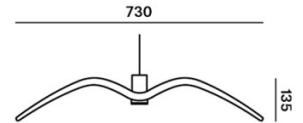

Width: 61cm
Height: 22.5cm

Cable Length: 200cm

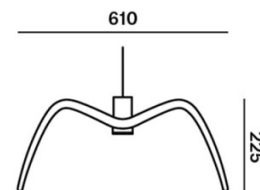

PC962

PC963

PC964
