Twice as Twiggy Floor Lamp by Foscarini

The [Foscarini Twiggy collection](#) has grown and become "oversized" in the Twice as Twiggy version: a significantly sized lamp dedicated to large rooms, which nevertheless retains the lightweight feel and flexibility of the original version. This goal has been achieved thanks to genuine technical artistry: the long arched rod, in fact, retains a slim diameter, thanks to a steel cable which is concealed within it, while the lampshade, which is both large and extremely light-weight, is balanced by the appropriately sized base.

A system of counterweights allows the height-adjustment of the lampshade, fitted with 2 LED boards, with a dual effect: direct down-light and diffused up-light. The Twice as Twiggy Floor Lamp is available in 5 sophisticated colours, white, black, crimson, indigo and greige (a mixture of grey and beige) so you can find the right finish to match your interior design. Use in many big spaces to provide effective and functional illumination.
