PRODUCT DESCRIPTION

Me LED Floor Lamp by Northern

Me is a lamp designed just for you. Made with quiet moments of relaxation in mind, Me sheds light on the everyday need to find breathing space in a fast-paced world. The shape is uncomplicated and sleek, making it easy to incorporate the lamp into a wide range of settings. Available in petrol blue or warm beige with a powder-coated metal gives way to a seamless silicon sleeve that makes the lamp adjustable. The lamp is designed with a flexible stem that can be rotated and bent to customise the direction of the shade.

Like the comfort of a swivel chair, Me is easy to enjoy, making it possible to personalise the angle and amount of light needed. A perfect light source for reading books or leafing through magazines, Me invites you to sit down, exhale, take a break and relax.
