ModoLuce Angelica Floor Lamp

The ModoLuce Angelica Floor Lamp is a striking design that merges oversized proportions with adjustable functionality. Designed by Grasselli + Modo Luce R&D, this floor lamp features a cantilevered arm adjustable in two positions, along with a 160-degree rotational axis, offering maximum flexibility and personalised lighting. The sturdy metal structure, available in matt white or black, is complemented by a choice of cotton lampshades in coordinating finishes.

Perfect for large spaces and statement settings, the Angelica Floor Lamp emits a soft, warm light, ideal for creating a relaxing ambiance in living areas, lounges, or commercial spaces. Additional shade options are available upon request, ensuring a truly tailored look. This sophisticated floor lamp is an artistic and practical choice for contemporary interiors.

Please note, an in-line dimmer on the cable is available on request. Please [contact us](#) for more details and pricing.
