PRODUCT DESCRIPTION

Northern Over Me Ceiling / Wall Light

Northern Over Me Ceiling/Wall Light is a stylish flush-mounted light. Comprised of a smooth metal frame and a glowing glass disc, Over Me's rounded shade casts diffused light from all sides. Over Me is a natural complement to contemporary interiors thanks to its minimalist appearance and ability to attach to various surfaces.

Over Me Ceiling/Wall Light is subtle enough to blend in with the ceiling, yet striking enough to create a focal point when installed on a wall. Made in four sizes and four colours, Over Me is suitable for almost any room and certified for wet areas. Over Me's slim profile makes it an excellent choice for areas where conventional light fixtures won't fit.
