PRODUCT DESCRIPTION

Designer: Jonah Takagi & Hallgeir Homstvedt

Lamella 1 Pendant by Le Klint

Have you ever looked at the underside of a mushroom? That is where the inspiration for the [Le Klint Lamella collection](#) came from. The delicate ribs beneath a mushroom are mimicked in the Lamella pendant by the pleated structure of the shade diffuser. The closed nature of the pendant provides glare free light emission indirectly, creating a pleasant ambience and is perfect for a dining or living room.

The Lamella 1 pendant is perfect for lighting a cosy room and looks equally as effective used alone or in a cluster with other shaped Lamella pendants, now all available with aluminium or golden metal finishes.

Designed by Jonah Takagi & Hallgeir Homstvedt, the whole collection's uniform pleated structure mimics their inspiration and this, paired with the soft silhouettes of the Lamella collection drives the design of this range. Simple yet intricate, Le Klint has gone back to the old handcrafted technique called Plica to product this beautiful collection.

PRODUCT SPECIFICATION

Light Source: 1 x E27 40W max (excluded)

IP Code: 20

Dimming: Dimmable via mains phase dimming

Dimensions: Ø46cm
33cm height
