PRODUCT DESCRIPTION

Ferm Living Loop Cushions pack of two

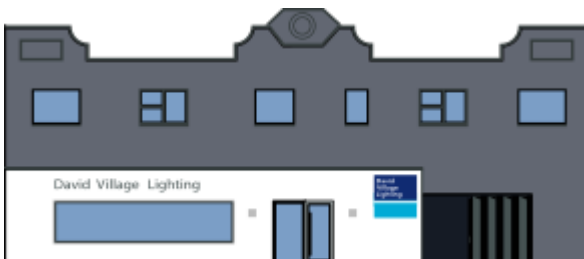

We are challenging the classics of geometry and exploring new shapes. This process is mirrored onto a new line of textiles, cushions and accessories centred in engaging forms. We used the special loop weaving technique to create the 3D effect and to form a unique pattern. The Kelim cushions with the unique design is made of New Zealand wool, which is an incredibly soft and itch-free quality.

Care instructions: Dry clean only
