PRODUCT DESCRIPTION

Designer: Joan Gaspar

Marset Jaima Pendant light

Joan Gaspar has designed a collection based around textiles: flexible and ductile materials that softly diffuses the light as well as moved with the wind.

This new collection takes its name from the Bedouin tents of North Africa, and is inspired by their varied fabrics and forms. The Textilene shade is available in three sizes and four different colours, with a white interior to optimize the quality of the downward light.

Jaima pendant light is suitable for dining rooms and social areas, to create a relaxed and cosy ambience. Joan Jasper's collection has an organic aesthetic with an earthy colour pallet and natural-looking fabric.

PRODUCT SPECIFICATION

Light Source: E27 LED Globe (ø120) 22W (Excluded)
