PRODUCT DESCRIPTION

Designer: Silvia Poma

Emma Suspension by Panzeri

The Panzeri Emma Suspension Light combines retro charm with modern functionality, featuring a ribbed blown glass diffuser available in seven stunning finishes: white, crystal, steel, amber, bronze, tobacco, and green. Its metal canopy, finished in black or matt brass, adds a sleek contrast to the elegant glass shade.

Fitted with a visible filament LED E27 bulb, the Emma provides diffused, warm light (2700K) with a brightness of 1050 Lumens, making it perfect for residential and hospitality spaces. The 220cm black fabric cable is customisable, offering flexibility for installation.

The Emma Suspension can be installed individually for a minimalist look or arranged in clusters or linear compositions for a striking design statement. Ideal for dining areas, living rooms, kitchens, and hotels.
