Slamp Bache Floor Lamp

Designed by Francesco Piretti, this floor lamp utilises beautiful pleats in order to harbour a timeless elegance and ensure that it will look impressive in any room. The Bach Floor Lamp is a refined design, boasting a slim frame and soft curves made from high quality Opalflex®, Slamp's own patented material. Opalflex® is a cutting edge material created for improving longevity, it gives the impression that this lamp is made from glass but with the endurance and protection of strong plastic.

This symmetrical, geometric shape perfectly blends in to any minimalistic and contemporary interior designs. The Bach Floor Lamp is an ideal light choice for your living room, bedroom, restaurant or hotel lobby. With a pure white colour scheme and sculptural design, the lamp radiates bright, warm light into the space around it, illuminating your space for reading and working.

Bach is available in various heights and sizes that can be showcased independently or grouped together.
