PRODUCT DESCRIPTION

Designer: Sergio Prandina

Santachiara Table Lamp by Prandina

A part of the [Prandina Santachiara collection](#), the Santachiara table lamp is made from an opal glass lampshade and an ash wood base. The combination of materials and their contrast make this table lamp a chic and organic looking light that will sit well in any setting. The design is simplistic and basic in nature, proving that the oldest techniques and ideals can still produce a modern lamp that will last in style.

The Santachiara table light comes in 2 sizes, the T1 and T3, meaning you can get a table lamp for big and small spaces. The lamp diffuses the light beautifully making it perfect as an ambient light in dining rooms, bedrooms, lounges and offices.
