PRODUCT DESCRIPTION

Designer: Danos Salgados

Bover Beddy A/02 LED Wall Light

Designed by Danos Salgados, the Bover Beddy A/02 LED Wall Light is an evolution of the A/01. Still featuring the sleek and minimalistic design and slender frame, but with a built in shelf and USB port to further enhance the functionality. The built in shelf can hold up to 2kgs, making it a perfect spot to rest your phone, especially with the USB port which can charge your electronics whilst the lamp is in use. Salgados understands the important of functionality and ensures that every feature of his designs provides a function.

The Beddy A/02 is a beautiful addition to minimalistic spaces and can reach its full potential next to your bed, the adjustable shade provides a directional light, whilst the integrated LED ensures a warm light diffusion - overall making the A/02 an exceptional reading lamp. The adjustable shade can be manoeuvred via the built in handle attached to the diffuser.
