**Foscarini Twiggy Grid LED  
Pendant Light**

The Twiggy Grid pendant light is a linear design combined with the strong flexibility which characterises the formal elegance and sophistication of the [Foscarini Twiggy collection](#). Emitting a downward, diffused light this pendant works wonderfully hanging over tables, providing a functional and needed illumination.

With an IP44 rating, the Twiggy Grid LED pendant can be used outdoors, casting luminous light and providing a modern aesthetic to exteriors. The integrated LED light source also makes it energy-saving and long-lasting, perfect for outdoor spaces such as patios, porches and balconies to light up the area as the night sky draws in.
