PRODUCT DESCRIPTION

Designer: Santa & Cole Team

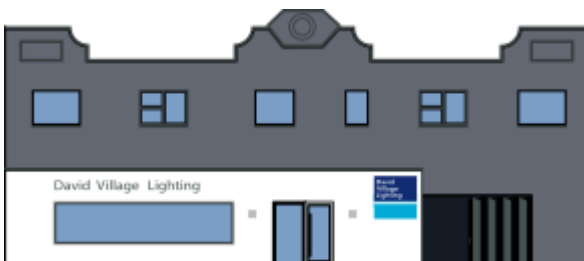

Arne S Domus Outdoor LED Pendant Light by Santa & Cole

The smaller version of the [Arne Domus pendant](#), a design originally created for the urban catalogue of Santa & Cole. The light has been designed and made in accordance to modern standards, translating an industrial pendant to a domestic pendant light. It is an efficient and sturdy pendant lamp, perfect in form and function and with an IP54 rating, the Arne S Domus is suitable to install in both interiors and exteriors.

The Arne S Domus pendant lamp has an integrated LED source, housed within a circular plate that is covered by the tempered glass diffuser. Its body, made of aluminium, has a sleek design and is inspired by geometry. The light comes in four colour options, white, aluminium grey or dark green and its simplicity and colours are a subtle tribute to Scandinavian design.
