PRODUCT DESCRIPTION

Designer: Sergio Prandina

Tiara Pendant Light by Prandina

The Tiara pendant was designed in 2012 by Sergio Prandina the company's founder. Made from beautiful blown glass, the lampshade has rounded and clean lines and has a lovely hand-engraved line that adds a special touch to the design. The inside of the shade is painted white so a nice glow is achieved, with a little bit escaping from the upper line to create an interesting aesthetic.

The Tiara pendant light comes in a white or black finish and is available in 2 sizes, the smaller S3 and the bigger S5. With a soft illumination and a downward directed light, this pendant is suitable for dining rooms, kitchens and reception areas and particularly thrives when hung over tables. You can buy several to put in rows or mix and match colours and sizes to create a cluster.

This pendant light is available with an integrated LED light source. [Click here](#) to find out more.

PRODUCT SPECIFICATION

Light Source: 1 x IAA/F E27 150W max (excluded)

IP Code: 20

Dimming: Dimmable via mains phase dimming

Dimensions: S3 - Ø30cm, H 34cm
S5 - Ø36cm, H 41cm

Ø12cm ceiling rose
2m cable length
