Designer: Per Sundstedt

Zero Allright LED Pendant

The Zero Allright LED Pendant, designed by Per Sundstedt, is a pared-back yet high-performing fixture that exemplifies functional Swedish design. Its slim anodised aluminium body is available in three refined finishes – aluminium, bronze, or grey – allowing it to blend seamlessly into a variety of architectural and interior styles. The pendant is fitted with a prismatic acrylic diffuser that softens the light output, reducing glare while ensuring an even spread of illumination across surfaces below.

Providing 1400 lumens of warm 3000K light with a CRI of 80, the Allright is ideal for focused downlighting above dining tables, workstations, counters, or bar areas. Whether used in a residential kitchen, a co-working space, or within hospitality settings, it delivers clarity without compromising on atmosphere. Suspended from a subtle 170cm wire, the Allright Pendant maintains a lightweight visual footprint while offering installation flexibility across ceiling heights. A perfect choice for projects that value simplicity, performance, and understated elegance.

PRODUCT SPECIFICATION

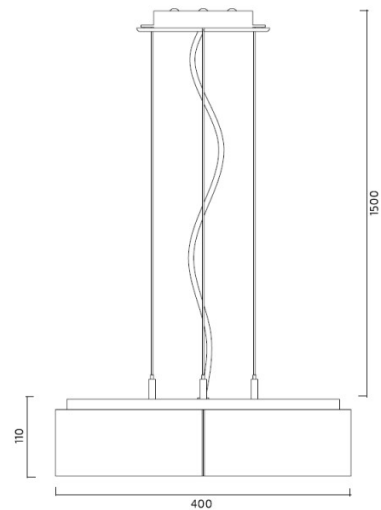

Light Source: 17W, 3000K, 1400 Lumens

IP Code: 20

Dimming: Non-Dimmable.

Dimensions: Height: 11cm
Shade: Ø40cm

Cable Length: 170cm
