Michael Anastassiades Ball Light Ceiling Light

The Michael Anastassiades Ball Light Ceiling Light is a stunning example of minimalist design, featuring a perfectly spherical opaline glass diffuser set within a polished brass, nickel, or copper frame. This ceiling-mounted fixture is ideal for rooms requiring subtle yet impactful lighting, such as bedrooms, hallways, or kitchens.

Designed to age beautifully, the unlacquered finish develops a natural patina over time, enhancing its aesthetic appeal. With its clean lines and geometric precision, the Ball Light Ceiling Light exemplifies Michael Anastassiades' dedication to timeless design and artisanal craftsmanship.

This product is also available in **Plated Nickel, Plated Copper and Custom Patina Finishes** by request only, please [contact us](#) to discuss pricing and availability.
