Michael Anastassiades Tip of the Tongue Table Lamp

The Michael Anastassiades Tip of the Tongue Table Lamp embodies the perfect harmony between geometry and elegance. A mouth-blown opaline glass sphere is delicately balanced on the edge of a solid brass or nickel-plated base, creating an intriguing sense of motion and tension. The design plays with the viewer's perception, capturing a fleeting moment of balance and anticipation.

This table lamp provides a soft, diffused glow that enhances the ambiance of any space, from bedrooms to living areas. With its luxurious materials and minimalist aesthetic, it serves as both a functional light source and a statement piece for modern interiors.
