PRODUCT DESCRIPTION

Designer: Michael Anastassiades

Single Angle Pendant Light by Michael Anastassiades

PLEASE NOTE: This pendant requires a specified rod length before purchasing. Please [contact us](#) for more information and for placing an order.

Materials:

Satin nickel plated brass, mouth blown Czech glass opaline spheres.

The Single Angle Nickel pendant is rod suspended - the length of the rod is cut to order. The maximum total drop achievable is 2650mm and the minimum total drop is 6867mm.

Light source included.

Michael Anastassiades' design philosophy is to preserve the natural qualities of materials. Their products are handmade and come in natural finishes, exposed to the elements without any protective lacquers. They look at oxidation as part of a process that adds to the patina of an object, increasing beauty with time. They suggest using the white gloves provided when handling the product to protect its natural finish.
