PRODUCT DESCRIPTION

Secto Octo Small 4241 Pendant Light

The smaller version of the Secto [Octo 4240](#) pendant light, the Octo Small 4241 pendant light is ideal for smaller spaces or used in multiples to create a breathtaking display. The Octo small 4241 has an airy diffuser meaning it does not overpower rooms while remaining an interesting focal point. With a truly Scandinavian feel, the Octo small 4241 suspension suits a wide range of spaces both in residential and commercial properties.

Handmade in Finland out of Finnish birch, the Secto Octo 4241 pendant light provides a warm, soft and luminous glow and is available in its natural birch state, laminated in black or white or with a walnut veneer. The 4200 collection also includes wall lights, floor lights and table lamps - browse the rest of Secto's designs [here](#).
