Pet Light Purr by Moooi

An unexpected companion, a rabbit, an owl and a penguin are part of Marcel Wanders's Pet Light collection for Moooi. The cute animals are made of a opal glass and have ceramic golden details. The Purr Light, an adorable rabbit, compliments any interior space; you can place the lamp on a sideboard, desk, coffee table or shelves. The Purr light is dimmable, with an in line switch on the cable, allowing you adjust the light intensity depending on the time of day. The opal glass diffuser allows the Purr light to emit a warm light and create a warm ambience in any room.

The Pet Light Collection, designed by one of Moooi's founders Marcel Wanders, includes other animal lights. The [UhUh](#) Light is a playful white and gold owl, a round and playful source of light. The [Noot Noot](#) is a shy but friendly penguin, that will be at home in any interior space.
