Uhuh Pet Light by Moooi

Marcel Wanders, one of the founders of Dutch company Moooi, designed these playful characters that are just like out of a fairy-tale. The Uhuh lamp is part of the Pet Light Collection, a charming and round owl that adds character to any interior decor. The Pet Lights have an opal glass body and the snowy whiteness is contrasted by the golden ceramic details. The Owl Pet Light is dimmable, allowing you to adjust the light intensity throughout the day.

The Pet Lights Collection also includes the [Purr](#) (rabbit) and the [Noot Noot](#) (owl) lamps. It is an unusual group of animals, that is sure to brighten any home. The Uhuh, as with all Pet Lights, emit a diffused light, and create a warm and cosy atmosphere. Suitable for any environment, you can rest the Uhuh lamp on a coffee table, a side table, a desk or dining table or even on shelves. The lights are definitely an eye catcher and a charming addition to any room.
