Noot Noot Pet Light by Moooi

Playful and adorable, the Noot Noot lamp is part of Moooi's Pet Light Collection. The collection was designed by one of Moooi's founders, Marcel Wanders. With an opal glass body and golden ceramic details, the Noot Noot emits a soft and diffused ambience.

The Noot Noot is a penguin with its very own personality; whether on a shelf, a coffee table, side table or the desk. The Pet Lights are guaranteed to bring a touch of magic and brighten any interior. The Pet Light Collection also includes two more animals, the [Purr](#) (rabbit) and the [Uhuh](#) (owl) table lamps. The trio of lights have their own personalities and are most definitely a conversation starter.
