Artek A333 Turnip Pendant Light

The A333, nicknamed "Turnip" due to its organic shape, brings together elegant simplicity and sculptural charm. Designed by Alvar Aalto for the National Pensions Institute in Helsinki, this pendant light offers diffused, glare-free light through circular recesses near the top of the shade, accentuating its form. Whether lit or unlit, this pendant adds a unique visual element to any room, making it suitable for both private homes and public spaces.

With brass-plated detailing and minimalist design, the Turnip Pendant Light exudes a timeless elegance. Creating a warm, inviting glow. Ideal for adding a soft, ambient light to dining areas and lounge spaces.
